

There's A Song In The Air...and we have much to sing about this Christmas!

BECAUSE Doron Precision has been blessed with such fine and capable fellow-workers it is indeed a pleasure for Carl to join them DAY BY DAY as they help one another to make a living. SCHOOL DAYS are here again for Carl as he has scheduled time to complete his Instrument Rating. He's truly "on cloud 9" when he's UP, UP AND AWAY... in his flying machine. THE rains came down and the floods came up.. IN THE GOOD OLD SUMMERTIME, nearly swallowing the garden; but Carl had the FAITH OF OUR FATHER'S and we harvested an abundance of corn, tomatoes, beans and melons. 'S WONDERFUL!

These are HAPPY DAYS for Don. Skating, hockey, Industrial Arts (IF I HAD A HAMMER) Select Choir, Leaders' Club...and WE'VE ONLY JUST BEGUN. Going into Jr. High School, he's had to MAKE NEW FRIENDS..but this has not been a problem FOR HE'S A JOLLY GOOD FELLOW. ON completion of his Church Membership Classes Don said, I HAVE DECIDED TO FOLLOW JESUS ..and he'll be joining our church the day after Christmas.

Ron is singing SOMEBODY LOVES ME..and we don't have to wonder who anymore. HE and Cindy were married the end of May. She is bright and talented, warm and wonderful and we love having a cute little gal around again. She is a working Graduate Nurse as well as a student at SUNY Binghamton. We were thrilled that so many of you traveled OVER THE RIVER AND THROUGH THE WOODS or ON A JET PLANE to help us celebrate their joy. Ron is a definite asset working in the Department of Production Control at Doron...but he's ALWAYS happy to get home to THE GIRL OF HIS DREAMS at night. HE AND Cindy will tell you that LOVE IS A MANY SPLENDORED THING !

Karen is BIDIN' HER TIME working at the Lawrence Livermore Laboratory in California. THERE'S A LONG, LONG TRAIL A-WINDING FROM Livermore to Vestal.. but she knows that LITTLE THINGS MEAN ALOT and comes home ONCE IN AWHILE. She was here for her brother's wedding in May and again to be in a friend's wedding in November. We worked in an early Thanksgiving Feast at that time. We just wish she could LINGER A LITTLE LONGER.

Leigh WOULD LIKE TO TEACH THE WORLD TO SING IN PERFECT HARMONY beginning with her kindergarten class. They are a delightful smorgasbord of children from many lands. Somedays IT'S IMPOSSIBLE to get through to them, claims Leigh...other times EVERYTHING IS BEAUTIFUL! Michael says I WONDER AS I WANDER... WHAT'LL I DO ? He's temporarily enjoying the legal experience he's getting working at Washington Suburban Sanitary Commission, as he's preparing to graduate from law school in June. We think he'd be a great candidate for the Supreme Court! HERE COME DE JUDGE. (...but Mike says he's willing to take a lesser position!)

THERE'S A MEETIN' HERE TONIGHT seems to have been the theme song for Dottie this year. She managed to get herself over-involved and had to learn to take ONE DAY AT A TIME. Her favorite MOMENTS TO REMEMBER were the ones spent with family and friends. She says YOU DESERVE A BREAK TODAY so YA'LL COME and LET US BREAK BREAD TOGETHER. IT'S IMPOSSIBLE to express the love we feel for you...and we CHERISH yours for us. So HAVE YOURSELVES A MERRY LITTLE CHRISTMAS!

We wish JOY TO THE WORLD...and especially to you..and...may every heart prepare Him room.

*Carl, Dottie and Don*
