From our home to yours
with love...

Christmas 1987

We hope you don't
mind our sharing these
precious family falls
with you. We look
forward so much to
a card, note card/or
a picture from you.
Keeping in touch is truly
one of the best parts of
Christmas!

We are working
diligently on plans for
a home to build on our
retirement property in
Virginia. It will be on
a little creek just off the
Piankatank River in or
near the town of
Deltaville. We have
set no dates, as we
aren't retired as yet...
but we are fast becoming
eager to do so!

We wish you
a Beautiful Christmas
and a
New Year of
Blessings!

Dottie and Carl
