

It's Christmastime!

Smile

The world seems full
 of doom and gloom...
 We help where 'ere we can.
 But 'balance' is the
 keyword here...
 Much joy and love
 and peace exist
 within the heart of man.

So be a part of the solution...
 Help wipe out this 'sad-pollution!'
 We oft' forget the blessings
 that daily a'er us flew...
 And all the tender mercies
 He lovingly bestows.

Therefore look up! Give thanks!
 Be of good cheer!
 And
 celebrate a Holy Christmas
 and a joyous New Year!

... God loves you
 and we do, too!
