PS, Dearest Genl
Ruth wants you to
bring Juan home with
you. She thinks she is
working too hard where
she is now. She got
a letter from here yes-
terday saying that she
wanted to go home for
Easter but was afraid
she would be too tired to
work Monday. So please
bring her down here when
you come Sunday.

Will write again to-
night & hope you get it
O.K. If not I will meet
you Sunday at 4:40 unless

you advise me differently

Must stop now & get to work & I want to get your letter started too.

Remember I will be thinking of you all day & will sure be there to meet you Sunday.

Love,
Eric
