Dearest little girl,

In just 1½ hours.

I am taking the train for Cheyenne  
will stay there to-night & catch  
the Los Angeles Limited at 5:20  
A. M. to-morrow for Chicago.

Expect to leave Chicago Monday  
at 6:25 P. M. and should arrive  
in Washington Tues. P. M. 4:42  
on the B. & O. R. R. Will try  
& wire you from Chicago.

Trains are rather uncertain.  
& are off schedule quite a bit  
so don't worry if the train  
is late. Am going to go to  
the depot right away so there  
will be no danger of my  
missing the train. Can hardly  
wait to get started, but
