

Wednesday Evening
11:30 - 0'clock

my dearest boy -

I had my quilting party tonight. Miss Hamilton & her sister & Carl & Eva were the invited guests. & they were all here.

We had a real nice time & almost finished the quilt. June made us a lovely hickory-nut cake with nuts all over the top ^(my Birthday cake) & hot-

Chocolate with marsh-⁽²⁾
mallow cream in it.
& we had dill pickles
besides.

The quilt is as
light as a feather,
& big enough to tuck
 $\frac{1}{2}$ a yd in. you wont
object to that - will
you?

Everybody that my
vase beautiful.

i received your
letter with the pictures
& my Birthday kisses

3) tonight. I wouldn't have known Ruth had she not been with her mother & father.

I guess you'll be in Buffalo before so very long. Be sure & visit Aunt Augusta & Grandpa, for it might be the only chance you will have to see my grandfather. They live at 9 1/2 Cottage

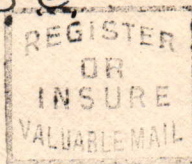

4/ St. I will write &
tell them you are
coming, if you have
the time I'd like for
you to stop by Martha's
too - but that isn't so
necessary, if you'd rather
not. You'd find them
mighty nice tho.

I'm still all elated
over really talking with
you -

I love you hard
every minute - dearest -

yours forever
Alma
